Flyers: Ask Tina C. to create something similar to the Fiesta Baja in 2011

- We would like a color version to hang around
- Also a soft copy version to be able to print-out and mail or send to newspaper and tv stations
- \$20.00 per person/\$50.00 per family recommended donation
- Wording to include "A fundraising event to Support Baja Builders 2014 Mission to work at the FFHM Orphanage, build a school, build two homes, and miscellaneous building home projects within area neighborhoods."
- Kim A. will discuss the brochure with Tina C. as soon as possible.

Newspaper Article:

- Minneola has had an article in the News Record already that included wording on this mission.

Local TV Access: PI, Zumbrota, Cannon Falls, KTTC + Website, Red Wing and Goodhue

- We need to get the publicity out here as soon as the brochure is ready.

Banner:

- Tina C. got a quote of \$128.00 for a reusable banner. This committee feels this is money well spent. Just need to have the main coordinating team approve?
